OneSpace

Community. Simplified.

OneSpace empowers urban Neighbourhood Watches to build safer, connected communities with easy, secure tools that streamline everyday challenges. Gain peace of mind by tracking properties and residents, swiftly reporting incidents like crime or municipal disruptions, and fostering engagement that drives rapid responses and collaborative problem-solving. Experience the difference as OneSpace transforms potential vulnerabilities into strengths, creating a vigilant network where every member feels supported and involved. Leverage OneSpace Central or OneSpace Connect App to activate panic buttons, deploy trail cams, and enable streetside vehicle recognition, delivering tactical safety that fortifies your neighbourhood and builds lasting trust.

TRACK INCIDENTS

OneSpace gives **NHW**s peace of mind by enabling **swift incident logging**, from **crime** to **municipal concerns**. Securely monitor reports via **OneSpace Central** to **protect** and **unite** your **community**.

BOOST SAFETY

OneSpace delivers **rapid responses** through **panic buttons** in **OneSpace Connect App**, fostering proactive protection. Combine with **trail cams** and **vehicle recognition** for **secure vigilance** and **neighbourhood confidence**.

BUILD COMMUNITY

OneSpace strengthens bonds via **Community Portal**, where **updates** and **connections** thrive. Engage **seamlessly** through **OneSpace Central** or **OneSpace Connect App** for a **vibrant network** that **enhances unity**.

All Your Community Needs

in OneSpace

OneSpace empowers urban Neighbourhood Watches with modular solutions that integrate seamlessly into a single system, delivering peace of mind and enhanced safety. From 1iD for secure identity management to interconnected tools like trail cams and panic buttons, customise your setup to address properties, incidents, and engagement effectively.

Experience the confidence of a unified platform that adapts to your needs, fostering rapid responses and stronger community bonds without complexity.

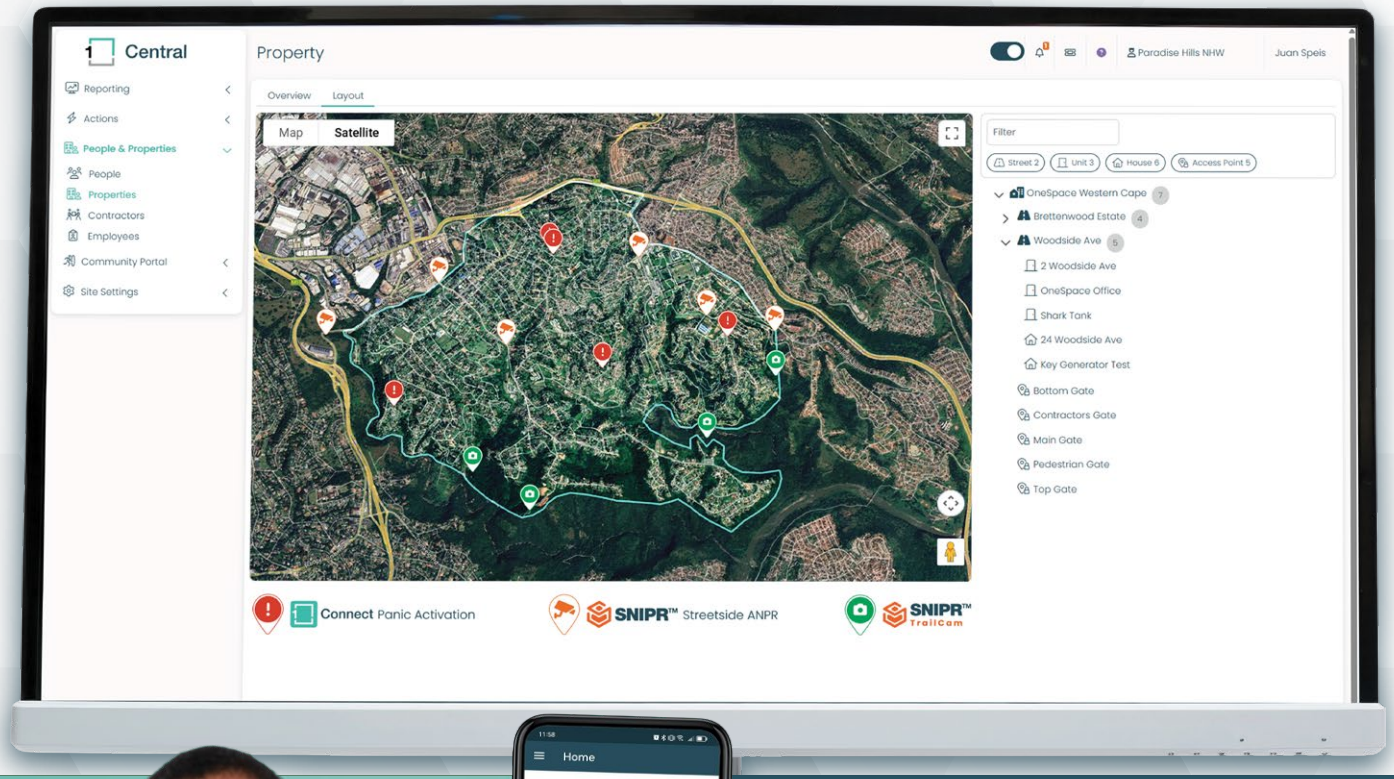

Setting Up Communities Made Easy

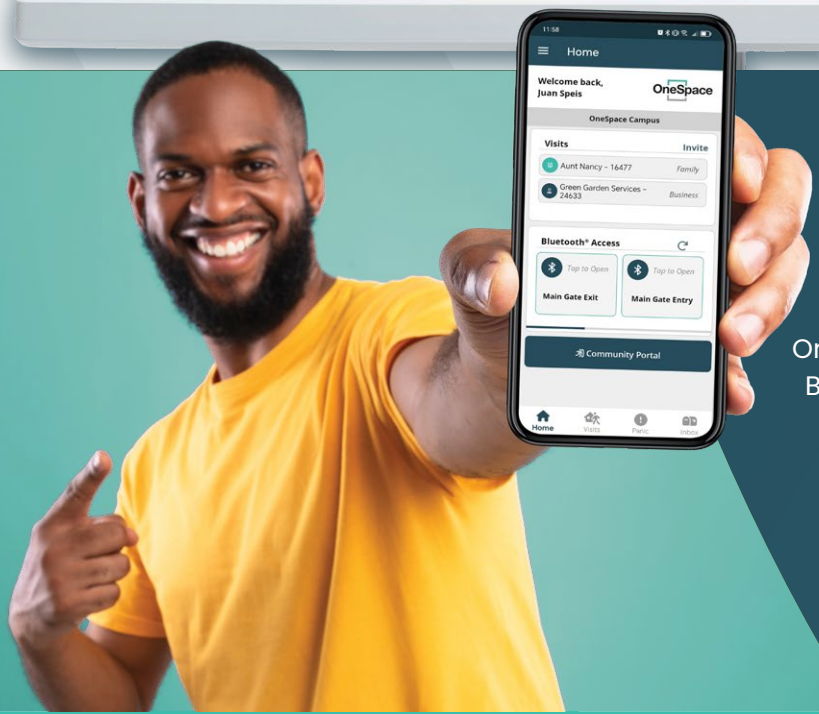

Setting up and running a community is complicated and time consuming. **OneSpace** is a purpose-built company dedicated to creating **communities** easily and **keeping them safe**.

From OneSpace you and manage and monitor:

1. Your properties
2. Who owns and lives in them
3. Incidents (municipal, services, and crime)
4. Community engagement
5. Panic buttons
6. Streetside vehicle licence plate recognition
7. TrailCams

This **seamless** approach gives **NHWs** peace of mind, **enabling rapid responses** to threats and fostering **stronger connections** among residents. Access your world through **OneSpace Central** or **OneSpace Connect App** to **simplify operations** and **enhance safety** in urban neighbourhoods.

Connect

Unlock easy visitor management with OneSpace Connect App's Visitor PINs, secure Bluetooth® access, and seamless Community Portal integration.

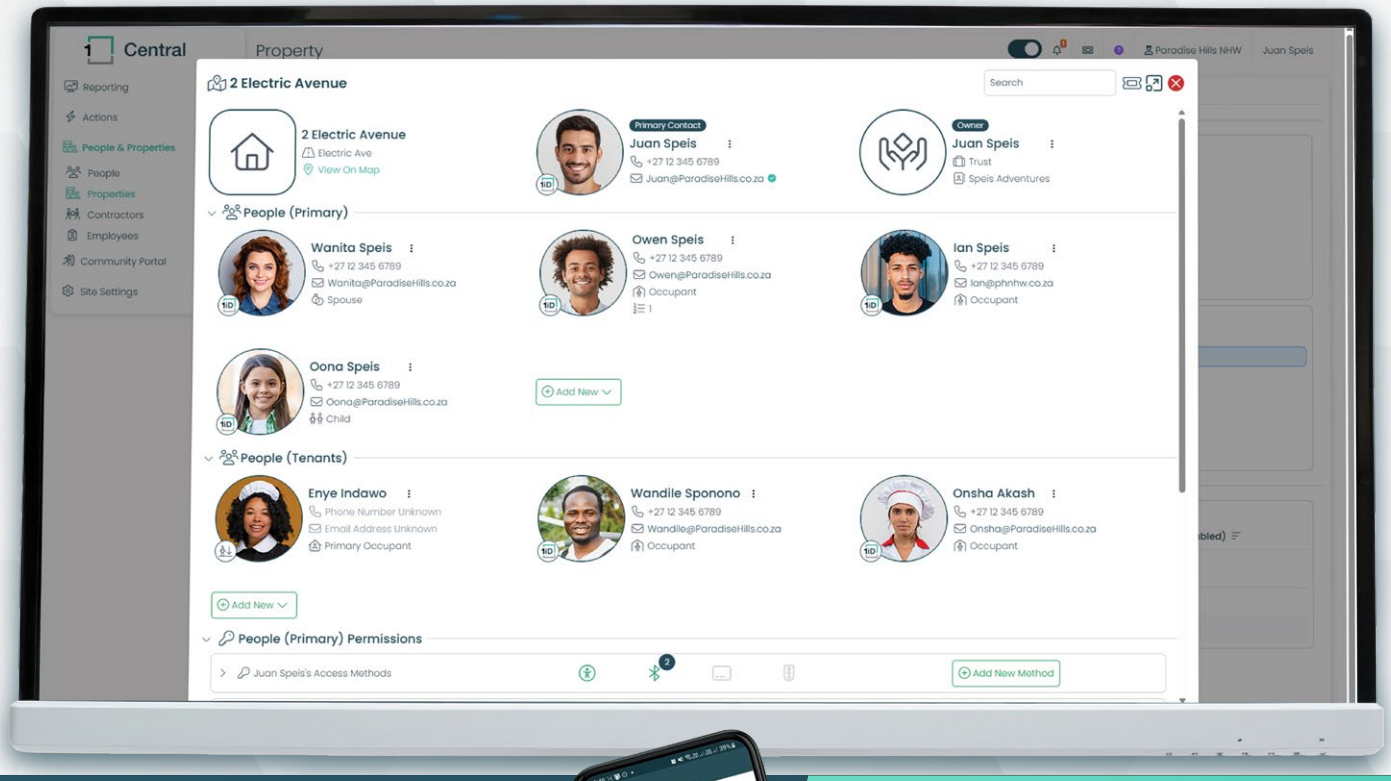

Empower NHWs with rapid entry control and community coordination for enhanced urban safety and convenience.

Property Oversight Simplified

With **OneSpace Central**, gain peace of mind through easy access to **comprehensive property details**. Simply click on a property to view the **owner**, **primary occupants** like **spouses** or **children**, and **tenants** such as live-in help, complete with **contact information** for **swift communication**.

This secure overview empowers Neighbourhood Watches to monitor residents **effectively**, fostering **stronger connections** and **rapid responses** in urban settings. Review **access methods and rights** for **each individual** and see **valuable insights** on **Access Control** and **Visitor Management**, enabling managers to maintain control and enhance community safety without complexity.

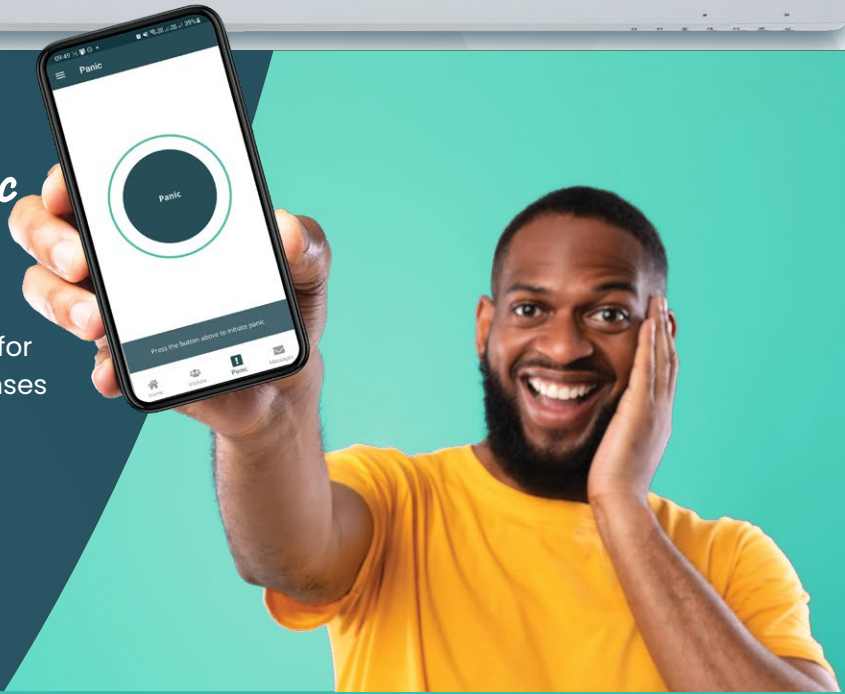

Imagine the **confidence** from **clear visibility** of **who** lives **where** and **how** they access shared spaces, **streamlining oversight** to **build trust**, **reduce risks**, and **unite your neighbourhood**.

Connect Panic

OneSpace Connect App's panic button offers peace of mind and convenience for NHWs, with geotagging for rapid responses anywhere.

Custom procedures ensure tailored assistance, all in one powerful app for secure community protection.
