SNIPR TrailCam: Alert Anywhere

SNIPR™ TrailCam

The **SNIPR TrailCam** brings **easy setup** to any spot you care about. Get fast **alerts** when something moves, see them all in one **SNIPR.Online Dashboard**, and set it up without hassle anywhere, no experts needed. This clever service helps you keep an eye on your home, business or open land, giving you control and peace of mind with a system that works for everyone. Whether it is a quiet garden or a busy shop, this solution fits all, offering reliable protection without the fuss of complicated setups or high costs, making security simple and accessible wherever you need it.

REAL-TIME ALERTS

Get instant updates on your phone via **OneSpace Patrol** or **SNIPR.Online Dashboard** when the camera spots something, so you know what is happening right away, no matter where you are.

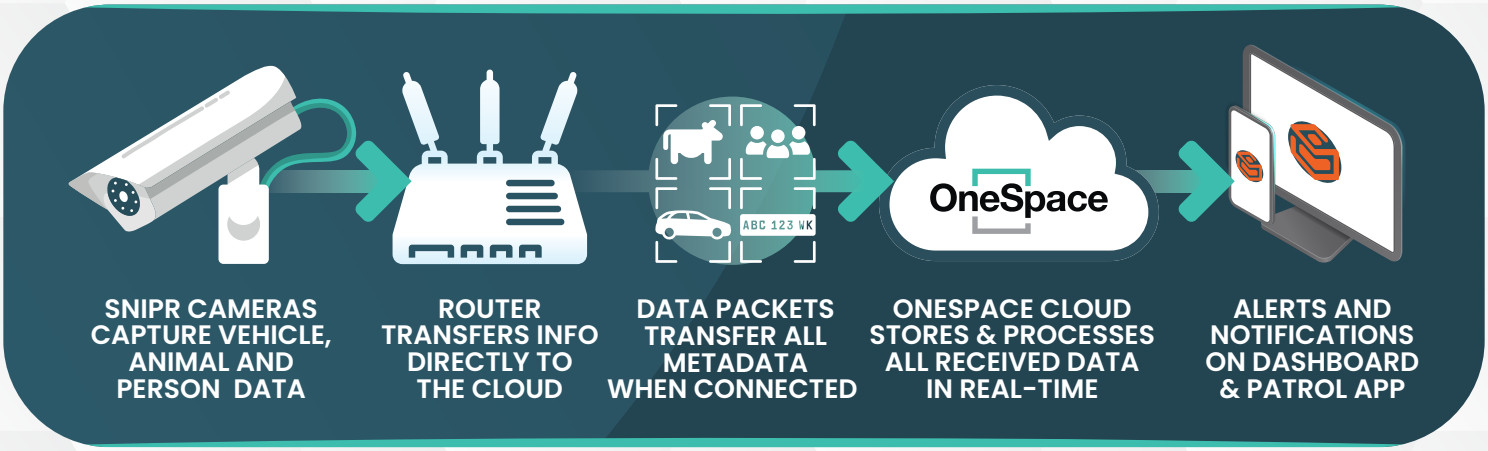

SIMPLE SETUP

Install it yourself in minutes with a **self-contained unit** that **needs no wiring or power lines**, making security easy for any place, backyards, shops or remote areas.

ALL ALERTS TOGETHER

Combine **SNIPR TrailCam** alerts with other **SNIPR** tools on the **SNIPR.Online Dashboard**, and receive them on **OneSpace Patrol**, keeping everything clear and simple to manage from one spot.

How It Works

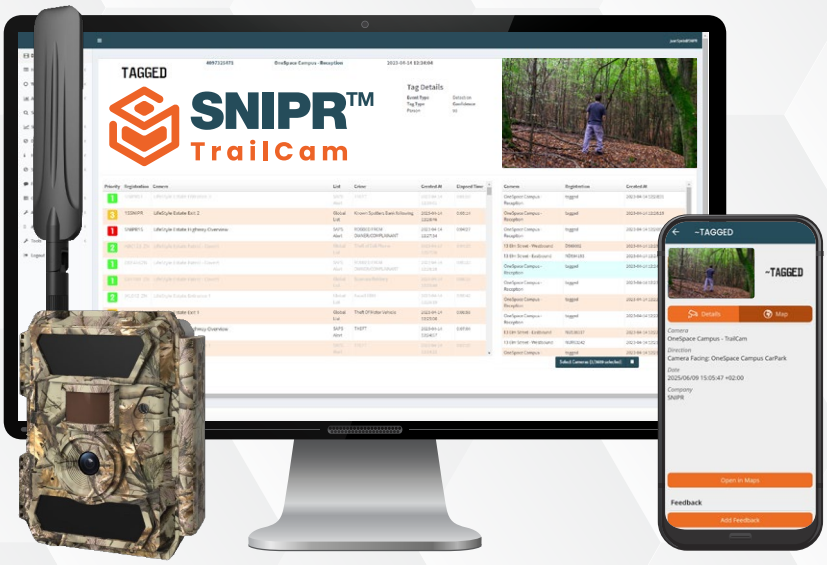

SNIPR CAMERAS CAPTURE VEHICLE, ANIMAL AND PERSON DATA

ROUTER TRANSFERS INFO DIRECTLY TO THE CLOUD

DATA PACKETS TRANSFER ALL METADATA WHEN CONNECTED

ONESPACE CLOUD STORES & PROCESSES ALL RECEIVED DATA IN REAL-TIME

ALERTS AND NOTIFICATIONS ON DASHBOARD & PATROL APP

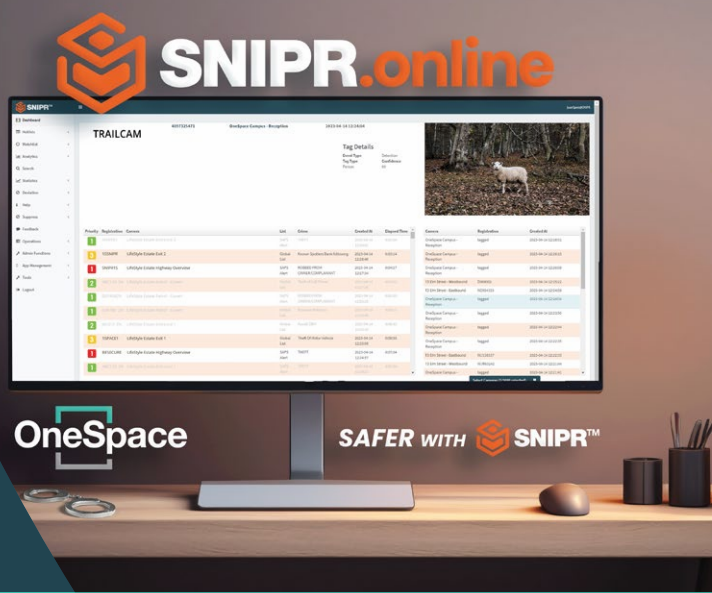

1 Detect
The camera senses movement using its built-in infrared tech, working day or night.

2 Alert
It sends a real-time update to the SNIPR cloud, checked against your settings.

3 View
Get the alert on your **OneSpace Patrol** or **SNIPR.Online Dashboard**, so you can check and act fast.

SNIPR.online

Take command with **SNIPR.Online**, your centralized dashboard for real-time alerts and intel management. Stay ahead with a clear overview of all **SNIPR** solutions, tailored for **decisive action**, while offering **detailed analytics** to optimize your security strategy and enhance operational efficiency across your operations.

SNIPR™ Spotter

Enhance your **SNIPR TrailCam** alerts with **SNIPR Spotter**'s **AI object recognition**, detecting and notifying you about **people**, **animals**, and **vehicles** for smarter alerting.

Key Benefits

SNIPR™ TrailCam

Fast Spot Checks

Receive instant alerts for motion detection, helping you respond quickly to any activity on your property.

Easy to Use

Set it up yourself in minutes with easy setup, ideal for homes, outdoor trails or open land, with no need for complex tools.

Custom Alerts

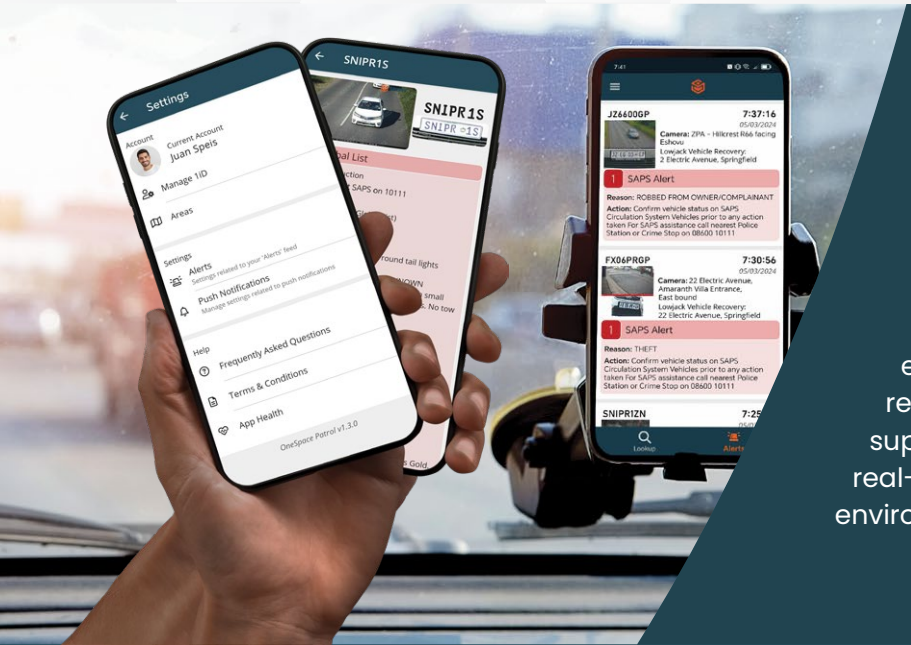

Set motion detection for specific times or get timelapse images every few minutes, giving you flexible control over what you watch.

Works Anywhere

Power it with batteries, lead acid or lithium, or use a small solar kit that plugs in, plus mobile data to keep your device connected.

Enhance with SNIPR Spotter

Add AI object detection for an extra fee to identify animals, people or vehicles, making alerts smarter on **SNIPR.Online Dashboard** and **OneSpace Patrol**.

OneSpace Patrol

Stay mobile with OneSpace Patrol, the app that delivers instant alerts to your team. Access critical updates anywhere, ensuring you're always prepared to respond to threats, with features that support on-the-ground coordination and real-time decision-making in dynamic environments.
